Reimer to Discuss Fiduciary Fundamentals

On January 20, 2011, Attorney Richard Reimer will be teaching a “Fiduciary Fundamentals” class as part of the Illinois Public Pension Fund Association’s certified trustee training program.

The certification has been affiliated with Northern Illinois University since 1999. This educational curriculum is designed to increase Police and Fire Pension trustees basic knowledge of fiduciary responsibility, fundamentals of investing, funding and actuarial concepts, medical and disability issues, administration of pension benefits, and legal and ethical issues.
